Configuring DUO for your CELL PHONE with Duo Mobile APP:

1) Go to the DUO.UCONN.EDU website
2) Log in using your NetID credentials

3) Click on the “Start Setup” button

4) Select that you are adding a “Mobile Phone” and click “Continue”

5) Enter your cell phone number using the proper format (follow the example) and click “Continue”
6) Select the type of phone you have and click “Continue”

7) Follow the instructions to install the DUO app on your cell phone (Android instructions shown) then click “I have Duo Mobile installed”

8) Once the app is installed, activate DUO by following the instructions and scanning the barcode

9) When the green check mark appears on the barcode, click “Continue”
10) Once activation is completed, click on “Continue to Login”

11) Enter your netID credentials again to log in

12) You can then add other devices and manage your DUO settings

13) You can test your DUO configuration by selecting “Call Me”. When you answer and hit the # button when prompted, you will get the following screen
