Configuring DUO for your WORK PHONE (landline):

1) Go to the DUO.UCONN.EDU website
2) Log in using your NetID credentials
3) Click on the “Start Setup” button
4) Select that you are adding a “Landline” and click “Continue”
5) Enter your cell phone number using the proper format (follow the example)
6) When a valid phone number is entered, a small box will appear to verify you have entered the correct number before you can click “Continue”

7) Once activation is completed, click on “Continue to Login”

8) Enter your netID credentials again to log in

9) You can then add other devices and manage your DUO settings
10) You can test your DUO configuration by selecting “Call Me”. When you answer and hit the # button when prompted, you will get the following screen
