# Connect a Laptop to the Conference Room System

DISPLAY YOUR LAPTOP SCREEN ON THE CONFERENCE ROOM MONITOR

## Instructions:

<p>Touch the screen on the Extron Panel to wake it up</p>	
---	---

<p>Select <b>HDMI Laptop</b> on the panel</p>	
---	--

Plug the usb-c adapter into your laptop

Your laptop should now be showing on the monitor.

Use your preferred meeting platform to test the conference system webcam if needed.

Touch the **Help** button on the Extron Panel if you need tech support.
